GOOGLE HANGOUT

(a)

ADVANCED LEAFLETING

Common uses: To get important information into the right hands. **Page: 8**

(b)

ARTISTIC VIGIL

Common uses: To mourn the death of a public hero; to link a natural disaster or public tragedy to a political message; to protest the launch of a war. **Page: 10**

(s)

CONSIDER YOUR AUDIENCE

If a banner drops in the forest and your target audience isn't around to see it, will it make a difference? Probably not. **Page:118**

(t)

DELEGATE

In the final analysis, groups don't get things done, people do. Delegate! **Page: 122**

(ap)

POINTS OF INTERVENTION

A point of intervention is a physical or conceptual place within a system where pressure can be put to disrupt its smooth functioning and push for change. **Page: 250**

(aq)

THE COMMONS

Our common wealth — the shared bounty that we inherit and create together — precedesand surrounds our private wealth. By building a system that protects and expands our common wealth rather than one that exploits it, we can address both our ecological and social imbalances.
